

# OFFICIAL Dress Code

By Yusrina Yusoff

Work clothes don't have to be blah. It is possible to look both professional *and* stylish, whether you're running from meeting to meeting or catching up with friends after work.

## Corporate Chic

A simple black dress is a great plain canvas to play with. Jazz it up with gorgeous jewels for casual Friday or slip on a sharp blazer for the boardroom. For shirts, choose colours like plum or navy blue instead of the usual black and white.
